

Get beer *here*

Our brewery shop is open as a collection point
from Monday to Friday 1pm to 4.00pm

*The safety of our staff and customers
is of the utmost importance to us.*

To make sure your favourite beer gets to you safely,
we've put the below practices in place:

- All orders and payments need to be made over the phone.
*Please contact us on 0117 947 4797 between
1pm and 3pm to place your order and pay with card.*
- Give us a call when you arrive at Hare Brewery and
we'll bring your order out to your car (*adhering to social
distancing regulations*). Please remain in your vehicle.
- Once we've placed the order by your vehicle, you can then
load up, head home and enjoy a beer.
